

Free standing bathtubs are becoming more and more common and installation has never been easier with Valley's CSA certified Easy Drain. The Easy Drain is, by far, the easiest drainage system to install in as little as 10 minutes. Valley takes the hardest part out of the installation process; making the final connection of the drain as simple as dropping your freestanding bathtub into your preferred position with our special pipe connector.

#### DESCRIPTION:

- Quick, easy and clean process.
- No access panel required.
- Needed for all freestanding bathtub installations.
- Allows for an installation as close to the wall as possible.
- Plate can be uninstalled if adjustments are needed.
- Fits with 1 ½" male, 1 ½" female or 1 ½" threaded bathtub drains.
- Made in Canada.
